LEGISLATIVE ACTION ALERT

Open Contracting Act PA- HB 1849

This bill would bar the use of Project Labor Agreements on taxpayer-funded projects.

Folks

The House State Government Committee will hold a public hearing on Wednesday, January 24, 2018, at 9:00 a.m., in Room 205, Ryan Office Building. The subject of the hearing is HB 1849 (Bloom), known as the Open Contracting Act, which would bar the use of Project Labor Agreements on taxpayer-funded projects.

The bill was referred to State Government --- that's Metcalfe's committee --- Kim Hileman & Matt Hurlburt, the Dem staff of the State Government Committee, will be handling things. I am going to provide them with what information we have on PLAs, but I am sure they would be happy to hear from you regarding any questions or information you may have that could be of assistance.

Thanks.
