What are mail ballots?

In Pennsylvania, you now have two options for mail ballots. You may either choose a mail-in ballot or an absentee ballot to request, complete, and return to your [county election office](#).

- **Absentee ballot** – If you plan to be out of the municipality on election day or if you have a disability or illness, you should request this ballot type, which still requires you to list a reason for your ballot.

In order to request either ballot type, you must be registered to vote. Please visit [Check Your Registration Status](#) to review your registration information
