How to Order Free COVID-19 Tests

This week, the federal government launched a website to distribute free at-home COVID-19 tests. Go to COVIDTests.gov, fill out your address, and four tests will be shipped to you. Be sure to fill out the information accurately and include an apartment number if you live in a multi-unit building. The program is limited to four tests per residential address, and orders are expected to ship in 7 to 12 days via USPS
